Chairman's Outlook: Leading with Excellence

Dear Esteemed Members,

It is with great pride and humility that I address you through this edition of our Branch Newsletter. The Tirupati Branch continues its journey of professional excellence, guided by the rich legacy of our predecessors and the visionary leadership of our Institute.

At the outset, I express my sincere gratitude to all the **Past Chairmen of the Tirupati Branch** and the **Past Chairmen of SIRC** whose dedication, sacrifices, and tireless service laid the strong foundation upon which we continue to build today. Their commitment to professional development, member engagement, and institutional growth remains an inspiration to all of us.

I also take this opportunity to acknowledge the dynamic vision of our Hon'ble President **CA Prasanna Kumar D**, whose leadership is steering the Institute towards greater global recognition, technological advancement, and enhanced professional standards. His emphasis on capacity building, knowledge dissemination, and ethical excellence continues to motivate the fraternity across the country.

Professional Development Initiatives

In line with the Institute's commitment to continuous professional education, I am pleased to inform that the **DISA (Diploma in Information Systems Audit) Batch** has been successfully commenced at the Tirupati Branch.

In the rapidly evolving digital environment, strengthening competencies in Information Systems Audit has become crucial for Chartered Accountants. The enthusiastic response from members clearly reflects the growing interest in technology-driven audit practices.

Celebrating Women Leadership

The branch is also planning to celebrate **International Women's Day**as on 8th March 2026 with meaningful initiatives that recognize and encourage women professionals and leaders from various sectors. This event will serve as a platform to acknowledge their contributions to society and the profession while inspiring the next generation of women leaders.

Chairman's Outlook: Leading with Excellence

Further, recognizing the importance of specialized knowledge in the banking sector, the branch is planning a **Comprehensive Workshop on Bank Branch Audit as on 26th March 2026**.

Infrastructure Development

Another significant milestone for the branch is the **progress in our branch building development initiatives** and happy to share that the terrace floor Slab finished and parallel Brick Work and Plastering work are in Progress.

Way Forward

As we move forward, our focus will remain on:

- Enhancing **member knowledge through quality CPE programmes**
- Strengthening **student engagement and academic excellence**
- Encouraging **specialized professional courses and certifications**
- Expanding **professional networking and capacity building initiatives**

The strength of the Tirupati Branch lies in the collective participation of its members.
I request each member to actively engage in the branch activities and contribute ideas that will help us take our branch to greater heights.
Let us work together to uphold the dignity of our profession and continue to contribute meaningfully to society.

A Note of Gratitude from the Immediate Past Chairman

Dear Esteemed Members,

As my term as Chairman of the Tirupati Branch of SIRC of ICAI concluded on 21st February 2026, I express my sincere gratitude for the trust, cooperation, and encouragement extended to me throughout this memorable journey. It has been a privilege to serve our esteemed Institute and the Chartered Accountants fraternity.

During 2025–26, our collective efforts were focused on making the Branch more vibrant and future-ready through continuous learning, technology adoption, and member-centric initiatives. We successfully organised physical batches of the FAFD CertificateCourse and Peer Review , along with several CPE programmes, games, sports, cultural events, and a members' trip to Talakona, made possible by the support of our Management Committee members.

I convey my heartfelt thanks to the President of ICAI, SIRC Chairman and Vice-Chairman, Central and Regional Council members, Past Chairmen, my Management Committee colleagues, and our staff for their constant guidance and support.

As the profession evolves with regulatory and technological changes, Chartered Accountants must continue to uphold the highest standards of integrity, ethics, and excellence while exploring emerging opportunities.

I extend my best wishes to the incoming Chairman and office bearers for 2026–27. I am confident that under the leadership of CA M. Simhadri, Chairman, the Branch will achieve greater milestones and continue to bring pride to the ICAI.

Warm regards,
CA B.V. Madhusudana Babu

"Integrity is doing the right thing, even when no one is watching" - C.S. Lewis

Dear Professional Colleagues,

Integrity defines our profession. Our signatures certify the quality and longevity of business. With this belief, I humbly bow in gratitude to the Almighty for entrusting me with the responsibility of serving the profession as 74th President of the Institute. I express my heartfelt appreciation to my family for their unwavering support, and thanks to my Council colleagues for their trust who have been companions in this journey; to my predecessor CA. Charanjot Singh Nanda, Immediate Past President for his dedicated leadership; and to all the Past Presidents whose vision has shaped this great Profession.
