Committed to empowering members and students towards excellence.

Chairman's Message: Reflections and Vision

Dear Professional Colleagues,

Warm greetings to all members and students.

I am pleased to share that our branch has successfully inaugurated the Certificate Course on Legal Drafting and Representation before Authorities at the branch premises. The excellent response from members reflects the growing importance of legal and representation skills in professional practice. I sincerely thank the faculty, participants, and organizing team for making the program a success.

During this month, the branch will also be organizing programs in connection with International Yoga Day and MSME Day. While Yoga Day promotes health, mental wellness, and balanced living, MSME Day highlights the significant role of MSMEs in India's economic growth and the important contribution of Chartered Accountants in supporting this sector.

The branch remains committed to conducting quality professional and knowledge-oriented programs for the benefit of members and students. I thank all members, speakers, sponsors, managing committee members, and volunteers for their continuous support and cooperation.

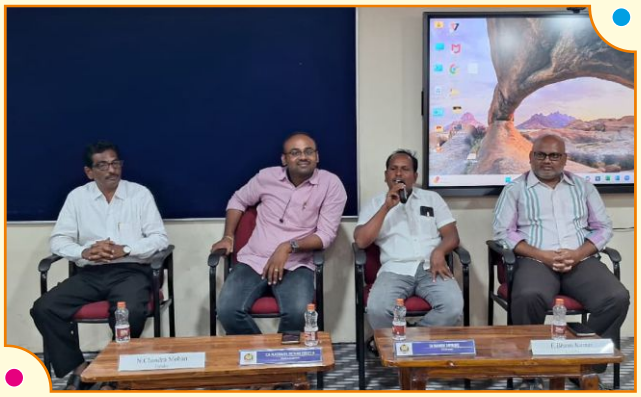

I request all members and students to actively participate in the forthcoming programs and make them successful.

With warm regards,
CA Simhadri M
Chairman
Tirupati Branch of SIRC of ICAI
