Empowering members and students through knowledge, growth, and excellence

In Pursuit of Excellence: From the Chairman's Desk

Dear Professional Colleagues,

Dear Esteemed Members, Students, and Stakeholders,

Greetings from the Tirupati Branch of SIRC of ICAI!

As we step into the vibrant month of June, I extend my warm regards to all our members and students. June is a month that reminds us of the importance of wellness, entrepreneurship, professional excellence, and service to society.

The observance of **International Yoga Day on 21st June** highlights the significance of physical fitness, mental well-being, and balanced living. As professionals entrusted with critical responsibilities, maintaining a healthy mind and body is essential for achieving excellence in our personal and professional lives. I encourage every member and student to embrace Yoga as a way of life.

June also marks **World MSME Day on 27th June**, celebrating the invaluable contribution of Micro, Small and Medium Enterprises to our nation's economic growth. Chartered Accountants play a pivotal role in strengthening MSMEs through advisory services, compliance support, financial planning, technology adoption, and sustainable growth strategies. Let us continue to empower entrepreneurs and contribute to India's vision of becoming a global economic powerhouse.

As we move towards the most cherished occasion for our fraternity, **Chartered Accountants' Day on 1st July**, we proudly commemorate the foundation of our prestigious Institute in 1949. This year, CA Day 2026 provides another opportunity to reflect upon our rich legacy, uphold the highest standards of ethics, and reaffirm our commitment to nation-building.

In Pursuit of Excellence: From the Chairman's Desk

The Tirupati Branch is planning a series of meaningful activities in celebration of CA Day, including:

Recognizing the importance of work-life balance and camaraderie among professionals, the Branch will also be organizing various **sports and recreational activities** during the CA Day celebrations.

These events are aimed at promoting team spirit, healthy competition, networking, and wellness among members and students. I invite everyone to participate enthusiastically and make these events a grand success.

I sincerely appreciate the dedicated efforts of our Branch Managing Committee members, volunteers, faculty, and staff who continuously strive to provide quality programs and meaningful opportunities for professional growth.

Let us collectively uphold the values of integrity, excellence, and service that define the Chartered Accountancy profession. Together, we can strengthen our profession, serve society, and contribute to the nation's progress.

Wishing all members and students a productive, healthy, and inspiring month ahead. I look forward to your active participation in the forthcoming programs and CA Day celebrations.

Jai Hind Jai ICAI!

With warm regards,
CA Simhadri M
Chairman
Tirupati Branch of SIRC of ICAI
