Empowering members and students through knowledge, growth, and excellence

Chairman's Foreword

Dear Esteemed Members and Dear Students,

It gives me immense pleasure to connect with you through the August 2026 edition of our Branch Newsletter.

As Chartered Accountants, our profession continues to evolve rapidly with changes in taxation, technology, regulatory frameworks and the growing importance of artificial intelligence. It is therefore essential for every member to continuously update knowledge, embrace technology and uphold the highest standards of professional ethics.

The month of August brings with it an opportunity to strengthen our commitment towards financial literacy and public awareness. I encourage all members to actively participate in the various programmes and initiatives of the Branch and contribute their knowledge and experience for the benefit of society.

Our students are the future of the profession. We will continue to focus on meaningful career counselling, skill development, professional guidance and student-oriented programmes, helping them understand the wide range of opportunities available in the accounting and finance profession.

I sincerely appreciate the continued support and participation of all our members. Let us work together to make the Tirupati Branch a centre of knowledge, professional excellence, innovation and service to society.

I look forward to your continued cooperation and active participation in all our Branch initiatives.

With warm regards,

CA Simhadri Mannem
Chairman
ICAI Tirupati Branch of SIRC
