Empowering members and students through knowledge, growth, and excellence

Chairman's Desk

Dear Esteemed Members,

It gives me immense pleasure to connect with you through the August 2026 edition of our Branch Newsletter.

As Chartered Accountants, our profession continues to evolve rapidly with changes in taxation, technology, regulatory frameworks and the growing importance of Artificial Intelligence. It is therefore essential for every member to continuously update their knowledge, embrace technology and uphold the highest standards of professional ethics.

The month of August has been a very active and memorable month for the Tirupati Branch. We happily celebrated the 80th Independence Day with great enthusiasm and participation from our members, students and staff.

It was also a matter of great pride for our Branch to provide an excellent platform and hospitality for the 16th Meeting of the Strategy, Perspective Planning & Monitoring Committee of the Central Council, held on 05th August 2026 at Tirupati. We are honoured to have had the opportunity to host this important meeting and extend our support to the Institute.

I sincerely thank all our members, faculty and volunteers for their valuable support in making the five Career Counselling Programmes conducted during August successful. These programmes provided an excellent opportunity to guide and motivate students about the CA profession and the various career opportunities available to them.

Our students are the future of the profession. We will continue to focus on meaningful career counselling, skill development, professional guidance and student-oriented programmes to support them in their journey.

Looking ahead, the Branch has planned several important programmes. The Seminar on Tax Audit – 2026 will be held in September 2026, followed by the AI Level-1 Certificate Course in October 2026. We are also planning more CPE programmes, Mega career counselling and

Super Mega career counselling programmes to provide greater opportunities for learning, knowledge sharing and professional development.

I sincerely appreciate the continued support and participation of all our members. Your encouragement and involvement are the strength of our Branch.

Let us continue to work together to make the Tirupati Branch a centre of knowledge, professional excellence, innovation and service to society.

I look forward to your continued cooperation and active participation in all our Branch initiatives.

With warm regards,

CA Simhadri Mannem
