TIRUPATI BRANCH (SIRC)

BRANCH ACTIVITIES

UPCOMING EVENTS

Empowering members and students through knowledge, growth, and excellence

Chairman's Desk

Dear Members, Students and Readers,

It is a pleasure to connect with you through our Branch Newsletter and share the progress and initiatives of the Tirupati Branch of SIRC of ICAI.

We continue our journey with a strong commitment to professional excellence, knowledge sharing and the holistic development of our members and students. I am happy to share that the **Seminar on Tax Audit – 2026** was successfully conducted, providing valuable insights and an opportunity for professional interaction. We also successfully organised an **industrial visit to Amara Raja for students**, offering them meaningful practical exposure to the corporate world.

Looking ahead, we are keen to organise more industrial visits, half-day seminars and career counselling programmes at various locations across our Branch jurisdiction. These initiatives aim to broaden students' perspectives, strengthen their practical understanding and guide them towards promising career opportunities.

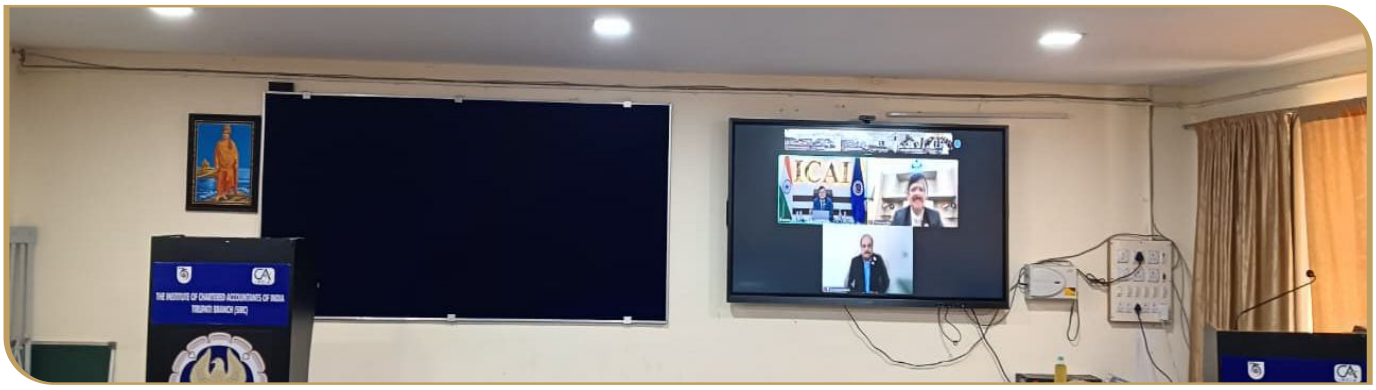

I extend my heartfelt gratitude to our members, students, resource persons, sponsors, well-wishers and Managing Committee members for their continued encouragement and support. Your active participation inspires us to take up more meaningful initiatives for the benefit of our professional community.

Together, let us continue to learn, grow and create new opportunities while upholding the values of integrity, excellence and service that define our profession.

With warm regards and best wishes,

CA Mannem Simhadri
Chairman
Tirupati Branch of SIRC of ICAI
